THE undersigned has the honour to report that it is deemed advisable to revoke and cancel Order in Council No. 802, approved on the 7th day of April, 1953, and to recommend that an Order be made as set out hereafter:

And that, under the "Strathcona Park Act," being chapter 49 of the Statutes of British Columbia, 1911, and amendments thereto, a report and

recommendation of British Columbia Power Commission (hereinafter referred to as the "Commission") dated the 1st day of April, 1953, has been received recommending that it be authorized to raise the water-level of and to use for storage purposes that part of Buttle Lake lying within the limits of Strathcona Park:

And that the Commission is a licensee, under the "Water Act," on Campbell River, its licences being appurtenant to its undertaking known as "John Hart Development":

And that the Commission is the holder of Conditional Water Licence No. 20714, issued the 4th day of June, 1952 (hereinafter referred to as the "storage licence"), authorizing it to store water in Buttle Lake and to construct, maintain, and operate the works necessary for the proper storage and use of such water, and containing certain conditions with which the Commission is required to comply:

And that a Special Committee was appointed by the Legislature on the 9th day of February, 1953, to inquire into the validity of the proposals of the Commission with respect to the storing of water in Buttle Lake for power purposes and the objections thereto, and to recommend to the Legislature with all convenient speed whether or not, in the public interest, the Commission should be permitted to exercise its rights under the storage licence:

And that it is deemed necessary for the carrying-out of the said undertaking that such authority recommended by the Commission be granted:

And that it is deemed advisable to grant such authority:

And to recommend that, in accordance with the provisions of the "Strathcona Park Act," upon the recommendations contained in the said reports, and for the purpose of carrying out the said undertaking and improving the availability and supply of electrical power on Vancouver Island, the Commission be authorized:—

1. To exercise its rights under the storage licence subject to the following additional provisions recommended by the said Special Committee, which provisions shall be deemed included in the conditions of the storage licence:—

- (a) The B.C. Power Commission will be responsible for disposing of blow-downs of timber along the edges of the cleared area for a period of ten years following the clearing as directed by the Minister of Lands and Forests.
- (b) The Comptroller of Water Rights will consult with the Minister, and vice versa, in all matters affecting each other's interests.
- (c) The Minister will, within five years of completion of construction of the dam, designate camp-sites that the Power Commission will improve at their own expense, as provided in the licence and to the satisfaction of the Minister and the Comptroller of Water Rights.
- (d) The Power Commission will be responsible for clearing all drift logs and other floating debris from the lake at least once a year by June 30th in each year until all accumulations are disposed of to the satisfaction of the Comptroller of Water Rights and the Minister.
- (e) The access road to be built by the Commission or its contractors must be adequate to handle the logging-trucks which will be used to remove the merchantable timber from the lake and the margin along Buttle Lake within the limits of Strathcona Park below the elevation of 755 feet as so measured. At completion of construction and logging, the ownership of the road shall revert to the Crown.
- (f) The access road, bridges, and culverts must be of an adequate and permanent character and built to Public Works Department standards.
- (g) There must be provided at the lake end of the road a public parking-space of a size and improved satisfactory to the Minister.
- (h) There must be provided by the Commission a boat-landing space above the dam which

must be adequate for launching and pulling out small boats safely. It must be kept clear of logs and driftwood at all times to the satisfaction of the Comptroller and the Minister.

- (i) The cleared area surrounding the dam after construction and logging are completed shall be prepared for landscaping and shall be landscaped and planted by the Commission at their own expense as directed by the Minister.
- (j) The area of construction around and at the dam-site shall be left in a clean and neat condition after construction and logging to the satisfaction of the Minister and the Comptroller. - (l) That clause 11 of the Conditions of Licence be amended by adding thereto the words "after consultation with competent consulting engineers."

And that the Commission be further authorized, in accordance with the provisions of the "Strathcona Park Act":—

2. To raise the water-level and to use for storage purposes that portion of Buttle Lake lying within Strathcona Park to the extent authorized by the Storage Licence.

3. To flood land abutting on that portion of Buttle Lake lying within Strathcona Park up to elevation 750 feet (as measured from the datum used by the Water Rights Branch of the Department of Lands in connection with Coast Project No. 143 as given in the report of F.W. Knewstubb).

4. 6. To do all such things as are necessary or advisable for the purpose aforesaid and for the lawful exercise of the Commission's rights as licensee under the licences aforesaid.

And that the conditions of the storage licence, and the said provisions, be adopted as conditions upon which such authority be granted:

And that nothing herein contained shall be deemed to prohibit the Comptroller of Water Rights from amending the storage licence, and the conditions thereof (other than the conditions imposed under paragraph 1 hereof) pursuant to the provisions of the "Water Act" and specifically from amending the storage licence as follows:—

- (1) Clause g: That the works authorized to be constructed which now reads "concrete dam approximately 50 feet high and 410 feet long" to read "concrete or other type of storage dam as approved by the Comptroller at or near the outlet of Buttle Lake."
- (2) Clause 1 of the Conditions: By deleting the words "(extreme high water level)," and by

substituting "as referred to in the Water Rights Branch 'datum' as established in 1924."

- (5) Clause 8 of the Conditions: The months "June, July and August" to read "July, August and September."

And that this Order in Council shall also be deemed a regulation under the "Strathcona Park Act" and shall be published for four consecutive weeks in The British Columbia Gazette:

And that two certified copies of this Minute, if approved, be forwarded to British Columbia Power Commission, 780 Blanshard Street, Victoria, B.C.

Dated this 9th day of September, A.D. 1953.

CIVIL SERVICE COMMISSION**"CIVIL SERVICE ACT"**

October 21st, 1953.

HIS HONOUR the Lieutenant-Governor in Council, by Order in Council No. 2340, approved on October 21st, 1953, has been pleased to rescind the regulations governing the granting of sick-leave to Provincial Government employees made by the following Orders in Council:—

No. 2879, approved December 30th, 1949;

No. 69, approved January 16th, 1950; and

No. 2478, approved October 23rd, 1951;

and has been pleased to approve regulations governing the granting of sick-leave to Provincial Government employees made by the Civil Service Commission pursuant to the provisions of section 60 of the "Civil Service Act" as set out hereunder:—

1. During the first working-year of service, sick-leave with pay may be granted to a total of six working-days; provided, however, that during the first six months of service the six working-days' sick-leave shall not be granted at a greater rate than one working-day for each completed month of service.

2. Further sick-leave with pay may be granted on the following basis: During the second working-year and thereafter for each succeeding working-year of service, non-cumulative sick-leave with pay may be granted to a total of six working-days each working-year, and cumulative sick-leave at the rate of two weeks for each working-year of service; provided, however, that the maximum amount of cumulative sick-leave which may accumulate shall not exceed twenty-six weeks.

3. Subject to section 4, sick-leave credits shall be computed from the date from which the employee has been continuously employed on a full-time basis; provided, however, that all periods of sick-

leave which have been taken subsequent to January 1st, 1935, shall be deducted from the accumulated sick-leave credit of each employee concerned.

4. Where an employee who has resigned from the Service returns, and his superannuation account is reinstated, he shall be credited with his former service when computing sick-leave credits, such credits to be subject to deductions for sick-leave granted during such previous service.

5. Where an employee was granted leave of absence to join the Forces of the Crown, the period of such absence may be included when computing sick-leave credits.

6. Where sick-leave is necessary, it shall be granted up to the accumulated amounts which the employee has to his credit, after which, if additional leave is necessary, it shall be without pay, but once the employee returns to the Service, if he already has exhausted his sick-leave credit, he shall begin to accumulate further credit at the rate of two weeks for each succeeding working-year of service to a maximum of twenty-six weeks. If the employee should return to service not having exhausted his accumulated sick-leave credit, he shall again accumulate sick-leave at the rate of two weeks per working-year, in accordance with section 2, and, in addition, shall carry forward the unexpended portion of his sick-leave credit remaining after his return to duty.

7. Except with the approval of the Lieutenant-Governor in Council, the maximum amount of sick-leave which may be granted under these regulations is fifty-two weeks.

8. Where an illness can be attributed directly to exceptional circumstances surrounding the duties and conditions of employment of an individual employee, and where the sick-leave credit of such employee has been expended, the Commission, notwithstanding the provisions of sections 1, 2, and 6, may recommend to the Lieutenant-Governor in Council the granting of additional sick-leave with pay.

9. Sick-leave may be granted only on the production of satisfactory evidence of the inability of the employee to perform his duties, in the form of a written declaration from the employee in cases where the absence has not exceeded three working-days and by way of a certificate from a qualified medical practitioner where the absence has exceeded three working-days, such certificate to be submitted within seven days of beginning of absence.

10. Where an employee whose position is of a permanent nature (excluding probationary appointees) makes application on account of illness sustained or injury accidentally received in the performance of his duties and not caused by negligence on the part of the employee, such application being properly supported by a certificate of a qualified medical practitioner, sick-leave may be granted to a total of twenty-six weeks, and, except on the recommendation of the Commission, no deduction from accumulated sick-leave credit shall be made for such sick-leave; provided, however, that such employee shall not be entitled to or receive salary in the amount of any award granted to, or on behalf of, the employee by the Workmen's Compensation Board. Sick-leave in addition to that granted under this section shall be charged to the accumulated sick-leave credit of the individual concerned, and any recommendation for further sick-leave with pay under this section must receive the approval of the Lieutenant-Governor in Council.

11. (a) Where an employee whose position is of a permanent nature (excluding probationary appointees) who has served with the Forces of the Crown in any war is granted sick-leave for the purpose of attending a medical board or receiving diagnosis or treatment for a non-pensionable disability in a military or other authorized hospital, such sick-leave may be granted in accordance with sections 1, 2, and 6 of these regulations.

(b) Where an employee who has served with the Forces of the Crown in any war is granted sick-leave for the purpose of attending a medical board or receiving diagnosis or treatment for a pensionable disability in a military hospital or other authorized hospital, sick-leave may be granted to a total of twenty-six weeks on the following basis:—

- (i) Where the employee is required to attend a medical or other board and is not carried on treatment strength in a military hospital or other authorized hospital, the sick-leave may be granted as follows:—

If the employee is in receipt of remuneration from the Provincial Government at a rate of \$7.50 per working-day or less, the sick-leave shall be granted without pay:

If the employee is in receipt of remuneration from the Provincial Government exceeding \$7.50 per working-day, he shall be entitled only to that portion of his remuneration which exceeds \$7.50 per working-day.

- (ii) Where the employee is carried on treatment strength in a military hospital or other authorized hospital, he may be granted the sick-leave with full pay; provided, however, that all pay and allowances received in excess of his permanent disability pension and allowances shall be credited to the particular vote concerned.
- (iii) No deduction from accumulated sick-leave credit shall be made for the sick-leave granted under this section.
- (iv) Sick-leave in addition to that granted under this section shall be charged to the accumulated sick-leave credit of the individual concerned.
- (v) In the case of an employee holding a probationary or temporary appointment, sick-leave may be granted in accordance with section 1, but subject to the requirements relative to remuneration and pay and allowances as provided under subclauses (i) and (ii) of this clause.

12. Notwithstanding the provisions of any other regulation governing sick-leave, where an employee has a history of tuberculosis prior to entry into the Service, and has a recurrence of the disease, he shall not be eligible for sick-leave with pay beyond that which he has accumulated under sections 2 and 6 of these regulations, nor beyond that to which he may be entitled under section 11.

13. Where an employee is absent on account of illness, the office concerned must be immediately informed, with a proper explanation of the cause of the absence.

14. Absences occasioned by illness are subject to the final approval of the Civil Service Commission.

15. All sick-leave must be recorded by the authorized recording official on the appropriate sick-leave record-card of the employee.

16. Where Saturday forms part of the normal working-week of an employee, such day, for sick-leave purposes, shall be considered a full working-day.

17. Where a statutory holiday occurs within the normal working-week of an employee on sick-leave, such statutory holiday shall not be a debit against his sick-leave.
